FIND A ROYAL FAMILY IN THE SKY

GREETINGS FELLOW STAR STORYTELLERS! EVERY FALL YOU CAN RETELL A LEGEND IN THE SKIES OF A QUEEN, A KING, A PRINCE, A PRINCESS, TWO MONSTERS, AND A FLYING HORSE.

FACE NORTHEAST TO FIND QUEEN CASSIOPEIA LOOKING LIKE THE LETTER W. TO HER LEFT, ARE FIVE STARS THAT LOOK LIKE AN UPSIDE-DOWN HOUSE. HER HUSBAND, KING CEPHEUS. ON THE OTHER SIDE OF CASSIOPEIA IS HER DAUGHTER, ANDROMEDA. HER STARS LOOK MORE LIKE A SKINNY LETTER A. AND AT ANDROMEDA'S FEET IS THE SQUIGGLY CONSTELLATION OF PERSEUS THE PRINCE, THE HERO OF THE FALL SKY HOLDING THE SEVERED HEAD OF MEDUSA.

FACING EAST, NOW YOU CAN SEE WHAT PERSEUS IS AIMING MEDUSA'S HEAD AT - THE SEA MONSTER CONSTELLATION CETUS. HE'S TURNING TO STONE AS WE SPEAK. THAT LEAVES THE FLYING HORSE, PEGASUS, UP AND TO THE LEFT OF CETUS.

ALL OF THESE CONSTELLATIONS ARE LINKED IN ONE STELLAR MYTH SO CHECK THEM OUT AND KEEP LOOKIN 'UP
